

# Sandbank & Valley Nursery School Federation

At Sandbank Nursery, we sometimes take photographs of pupils. We use these photos on the school's website, 'Evidence Me', external publications, in our setting and with other Early Years professionals.

We would like your consent to take photos of your child and use them in the ways described above. If you are not happy for us to do this, that's not a problem, we will accommodate your preferences. If you are unsure about anything, please ask your child keyworker, who will be happy to explain.

Please tick the relevant box(es) below and return this form to the school:-

- I am happy for photos of my child to be used on the school website
- I am happy for photos of my child to be used on the school's facebook page
- I am happy for photos which include my child to be shared across Evidence Me . Please speak to your child's keyworker who will explain all about 'Evidence Me'.
- I am happy for the school to take photographs of my child
- I am happy for photos of my child to be used for internal displays
- I am happy for photos/videos of my child to be shown to other Early Years professionals i.e. for training purposes
- I am happy for photos/videos of my child to be used in external publications for training purposes etc.,

If you change your mind at any time, you can let us know by popping into the school office, but please remember, once the image has appeared on the internet, it is viewable by anyone and enters the public domain. This means that we can remove the image from the sites we control but the image may have been shared elsewhere.

Why are we asking for your consent:-

The General Data Protection Regulations (GDPR) 2016 came into force on 25th May, 2018. To ensure we are meeting the new requirements, we need to seek your consent to take and use photos of your child. We really value using photos of pupils, to be able to showcase what pupils do in the nursery and show what life at our school is like to others.
